🪪 PROFILE

Recent Software Engineering graduate with a strong passion for **web front-end** development and **UI/UX** design. I thrive on creating user-centered, visually appealing, and highly functional digital experiences. I am eager to apply my technical skills and creativity in a dynamic team environment, continuously learning and pushing the boundaries of great user experiences.

🎓 EDUCATION

Bachelor of Software Engineering : Prince Sattam Bin Abdulaziz University ,Graduated with **First Honors | GPA: 4.94/5**
